# **Bountiful Foods Planning Document**

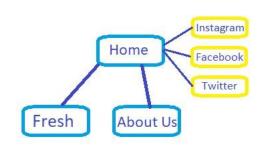

#### Site Purpose

This site is meant to provide information about bountiful foods, excite customers about their products, and allow users to create a custom drink flavor.

#### Target Audience

Our target audience for this site is bountiful customers, both old and new. Users will come to this site to find the locations of our food trucks, use the fresh page to make a specialty drink, or just learn about their favorite local business.

### Site Map

# **Color Scheme**

## **Typography**

**Heading: Great Vibes (Google Font)** 

Whereas disregard and contempt for human rights have resulted

Paragraph: Arial

This is an example of the Arial Font
